## February Newsletter

- ◆ Thanks to everyone who is working hard to keep our neighborhood looking it's best
- ◆ The HOA now has a new address. Please send all correspondence to Sunrise Pointe HOA, P.O. Box 25143, Salt Lake City, UT 84125-0143. Our e-mail remains the same [board@sunrise-hoa.com](mailto:board@sunrise-hoa.com). Please feel free to contact us at any time.
- ◆ We have had several neighbors complain about groups of kids committing vandalism in the neighborhood. One group started a fire and tried to burn things in a neighborhood mailbox, another group is jumping fences and turning on water in order to flood backyards and basements. This second group was caught by a concerned neighbor and their photos were taken. Yet another group is stealing cats and pretending they own them. Please keep an eye on your children, if they are coming home with animals that do not belong to them please try and find out whom they belong to, as these cats are your neighbor's pets. These things are not to be taken lightly we will be turning over the photos to the neighborhood police officer and any future vandalism or pet stealing will be turned over as well. Lets all take the time to watch our children and keep them out of trouble.
- ◆ We have had many neighbors complain about outside Christmas decorations that are still up on people's houses a month after Christmas. Please remove your outside decorations by January 31<sup>st</sup>. This way we can keep our neighborhood looking it's best.
- ◆ As a heads up with spring just around the corner, be advised that West Valley City is in the process of passing a new ordinance banning pocket bikes and go-carts from all streets and neighborhoods. If you have these items please be aware of this new city ban. The ban at this time does not affect motorized scooters.
